		<p>(4) To ensure pupils receive integrated, comprehensive, accurate, and unbiased sexual health and HIV prevention instruction and provide educators with clear tools and guidance to accomplish that end.</p> <p>[Reference: Instruction and Materials]</p>	<b>Compliant:</b> Yes
		<p>(5) To provide pupils with the knowledge and skills necessary to have healthy, positive, and safe relationships and behavior.</p> <p>[Reference: Instruction and Materials]</p>	<b>Compliant:</b> Yes
<b>B. Instruction and Materials EC § 51933</b>			
1	<p><b>Age Appropriate Material</b></p> <p>Instruction and materials shall be age appropriate. EC § 51933(a)</p>	<p>“Age appropriate” is refers to topics, messages, and teaching methods suitable to particular ages or age groups of children and adolescents, based on cognitive, emotional, and behavioral capacity typical for the age or age group.</p> <p>EC § 51931(a)</p>	<p><b>Compliant:</b> Yes</p> <p><b>Comments:</b></p> <p>The "media hunt" exercise relating to condoms in grade 8 lesson 9 may need specific review and attention. It seems to suggest that 8th graders are watching media in which people are actually having sex (i.e., pornography). Given that it's homework, there could be a pressure for young people to watch material that has sexual content. LEAs should review this closely to see if this activity will work for their specific student population.</p>
2	<p><b>Medically Accurate and Objective Information</b></p> <p>All factual information presented shall be medically accurate and objective. EC § 51933(b).</p>	<p>“Medically accurate” means verified or supported by research conducted in compliance with scientific methods and published in peer-reviewed journals, where appropriate, and recognized as accurate and objective by professional organizations and agencies with expertise in the relevant field such as the federal Centers for Disease Control and Prevention, the American Public Health Association, the American Academy of Pediatrics and the American College of</p>	<p><b>Compliant:</b> No, needs modification.</p> <p><b>Comments:</b></p> <p><b>Full and detailed medical reviews have been given directly to the publisher/author.</b></p> <p>This curriculum contains one or all of the following: outdated information, inaccurate information, and/or</p>

			Obstetricians and Gynecologists.” EC § 51931(f)	uncited data. Per Education Code 51931(f), refer to the listed agencies’ current websites for the most medically accurate and objective information.
3	Inclusivity Appropriate	Instruction and materials shall be appropriate for use with pupils of all races, genders, sexual orientations, ethnic and cultural backgrounds, pupils with disabilities, and English learners. EC § 51933(d)(1)		<b>Compliant: Yes</b>
4	English Learners	Instruction and materials shall be made available on an equal basis to a pupil who is an English learner, consistent with the existing curriculum and alternative options for an English learner pupil as otherwise provided in this code. EC § 51933(d)(2)		<b>All local educational agencies are required to ensure that curricula, including homework, are available to all student populations in primary language determined by previous year’s language census data.</b>  <b>Comments:</b> 7th grade anatomy slide show does have Spanish option.
5	Youth with Disabilities	Instruction and materials shall be made accessible to pupils with disabilities, including, but not limited to, the provision of a modified curriculum, materials and instructions in alternative formats, and auxiliary aides. EC § 51933(d)(3)		<b>All local educational agencies are required to ensure that curricula, including homework, are available to all students in formats and modalities that meet their students’ specific instructional.</b>  <b>Comments:</b> In 6th grade Lesson 6, teacher notes for students with physical disabilities are included.
6	Unbiased Instruction	Instruction and materials shall not reflect or promote bias against any person on the basis of disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any category protected by Section 220. EC § 51933(d)(4)		<b>Compliant: Yes</b>  <b>Comments:</b> Names used in scenarios are very reflective of different sexual orientations, genders, and ethnicities.  Should be strengthened with more affirmative examples of people with disabilities.

7	Sexual Orientation	<p>Instruction and materials shall affirmatively recognize that people have different sexual orientations and, when discussing or providing examples of relationships and couples, shall be inclusive of same-sex relationships.</p> <p>EC § 51933(d)(5)</p>	<p>Affirmatively recognize that people have different sexual orientations.</p>	<p><b>Compliant:</b> Yes</p> <p><b>Comments:</b></p> <p>There is good use of neutral language with "partners".</p> <p>This curriculum does not have many examples of couples, but presents information about sexual activity in an inclusive way. There are examples of same sex couples in the "healthy and unhealthy" exercise in lesson 3, grade 8.</p> <p>There's "A Note About Language" regarding inclusivity of language at the beginning of every lesson.</p> <p>There are good tips for teachers on how to handle situations where some students might make homophobic comments or be uncomfortable acting out situations with a same-sex partner.</p>
			<p>Provides examples of relationships and couples that are inclusive of same-sex relationships.</p>	<p><b>Compliant:</b> Yes</p> <p><b>Comments:</b></p> <p>There were examples of same sex couples and some examples without gender pronouns. This allows for students who do not identify with the gender binary to be included, including genderqueer students or students who identify as neither male nor female.</p>
			<p>Includes discussion of relationships and couples that are inclusive of same-sex relationships.</p>	<p><b>Compliant:</b> Yes</p>
8	Gender	<p>Instruction and materials shall teach pupils about gender, gender expression, gender identity, and explore the harm of negative gender stereotypes.</p> <p>EC § 51933(d)(6)</p>	<p>Teaches about gender, gender expression, gender identity, and explores the harm of negative gender stereotypes.</p>	<p><b>Compliant:</b> Yes</p> <p><b>Comments:</b></p> <p>Reviewers felt this area was exceptional for this curriculum.</p> <p>Every grade level has a lesson specific to this topic. As grades progress so does the detail and content of the</p>

				information.  Good explanation of genders assigned at birth during body lesson and appreciate that the authors are mindful of gender pronouns. Sometimes the language falls back to the gender binary and this could be improved. This curriculum explains the harm of gender stereotypes and harassment in-depth.  The case studies and "myth/fact" activity in 7th grade are really useful and could initiate a great discussion in the classroom.  Activities around harm of negative gender stereotypes are very thorough - the visuals in the PowerPoint in Lesson 7 in 7th grade are excellent.  The definition of gender expression as being "how people let others know the gender they are" is problematic. For example, there are people who identify as female but their gender expression is more associated with men. This definition could lead students to think that all butch women identify as men or are transgender.
9	<b>Adolescent Development and Body Image</b>	Instruction provides pupils with the knowledge and skills to develop healthy attitudes concerning adolescent growth and development and body image.  EC § 51930(a)(2)	<b>Teaches and promotes healthy attitudes about adolescent development and body image.</b>	<b>Compliant:</b> No needs minor modification.  <b>Comments:</b>  Body image is only discussed in the homework and will need to be addressed during classroom instruction.
10	<b>Communication with Parents, Guardians, Trusted Adults</b>	Instruction and materials shall encourage a pupil to communicate with his or her parents, guardians and other trusted adults about human sexuality and provide the knowledge and skills necessary to do so.  EC § 51933(e)	<b>Encourages communication with parents, guardians or other trusted adults about human sexuality.</b>	<b>Compliant:</b> Yes  <b>Comments:</b>  Many lessons have homework which encourages parent/guardian participation.

11	<b>Committed Relationships</b>	Instruction and materials shall teach the value of and prepare pupils to have and maintain committed relationships such as marriage.  EC § 51933(f)	Teaches the value and prepares pupils to have and maintain committed relationships, such as marriage.	<p><b>Compliant:</b> No, needs minor modification.</p> <p><b>Comments:</b></p> <p>The curriculum addresses the importance of delaying sexual activity (lesson 8 - 8) and how to determine if one is ready for sex (lesson 7-8) but does not cover committed relationships. The homework assignment for 7-8 would be a good place to add a question about committed relationships.</p> <p>Grade 6-Lesson-5 introduces the concept of relationships versus friendships. It does prepare youth to have committed relationships but the value of committed relationships is not explicitly discussed.</p> <p>Although it never mentions marriage explicitly it does have student make a Reproductive Life Plan in 8th Lesson 8. (Birth Control Basics).</p>
12	<b>Healthy Relationships</b>	Instruction and materials shall provide pupils with knowledge and skills they need to form healthy relationships that are based on mutual respect and affection, and are free from violence, coercion, and intimidation.  EC § 51933(g).	Builds knowledge and skills to form healthy relationships that are based on mutual respect and affection, and are free from violence, coercion, and intimidation.	<p><b>Compliant:</b> Yes</p> <p><b>Comments:</b></p> <p>Reviewers appreciate the discussion of cyber harassment and violence prevention and relevant pop culture references.</p> <p>There are lots of examples and skill-building activities in each grade level on how to distinguish healthy versus unhealthy relationships and how to communicate assertively.</p>
13	<b>Healthy Decision Making</b>	Instruction and materials shall provide pupils with knowledge and skills for making and implementing healthy decisions about sexuality, including negotiation and refusal skills to assist pupils in overcoming peer pressure and using effective decision-making skills to avoid high-risk activities.	Provides knowledge and skills for making and implementing healthy decisions about sexuality.	<p><b>Compliant:</b> Yes</p>

14	<b>Religious Doctrine</b>  Instruction and materials <u>may not teach or promote</u> religious doctrine.  EC § 51933(i)	Does not promote religious doctrine.	<b>Compliant: Yes</b>
<b>Content: Factual and Medically Accurate Information EC § 51934</b>			
15	<b>Nature of HIV and STIs</b>  Information on the nature of HIV, as well as other sexually transmitted infections and their effects on the human body.  EC § 51934 (a)(1)	<b>Provides information on the nature of HIV and its effects on the human body.</b>	<b>Compliant: No, needs major modification.</b>  <b>Comments:</b>  The nature of HIV is addressed only in homework in 7th grade and this needs to be included in classroom instruction.
		<b>Provides information on the nature of other STIs and their effects on the human body.</b>	<b>Compliant: Yes</b>  <b>Comments:</b> Should provide more on the effects of STIs on the body.
16	<b>Transmission of HIV</b>  Information on the manner in which HIV and other STIs are and are not transmitted, including information on the relative risk of infection according to specific behaviors, including sexual activities and injection drug use.  EC § 51934(a)(2)	<b>Provides information regarding the transmission of HIV.</b>	<b>Compliant: No, needs minor modification.</b>  <b>Comments:</b>  Information regarding the transmission of HIV via intravenous (IV) drug use needs to be included in classroom instruction.
17	<b>Transmission of STIs</b>  Information on the manner in which HIV and other STIs are and are not transmitted, including information on the relative risk of infection according to specific behaviors, including sexual activities and injection drug use.  EC § 51934(a)(2)	<b>Provides information regarding the transmission of other STIs.</b>	<b>Compliant: No, needs minor modification.</b>  <b>Comments:</b>  IV drug use needs to be included in classroom instruction.  There are some errors in the STD information; needs to be revised to match CDC information regarding pubic lice.  Overall, the worksheets for the different types of STDs were strong.

18	<b>Abstinence from Sexual Activity and Drug Use</b>	Information that abstinence from sexual activity and injection drug use is the only certain way to prevent HIV and other sexually transmitted infections and abstinence from sexual intercourse is the only certain way to prevent unintended pregnancy. Instruction shall provide information on the value of delaying sexual activity while also providing medically accurate information on other methods of preventing HIV and other sexually transmitted infections and pregnancy.  EC § 51934(a)(3)	Provides information that abstinence from sexual activity and injection drug use is the only certain way to prevent HIV and other STIs.	<b>Compliant:</b> No, needs minor modification.  <b>Comments:</b> Needs more information on abstaining from injection drug use. The information given is minimal.  Abstinence should include abstaining from naked genital-to-genital contact in order to address prevention of STIs that are transmitted via skin-to-skin contact.
			Instruction and materials provide information regarding abstinence from sexual activity being the only certain way to prevent pregnancy as well as provide information about the value of delaying sexual activity.	<b>Compliant:</b> Yes
19	<b>Methods of Protection, HIV and STIs</b>	Information about the effectiveness and safety of all federal Food and Drug Administration (FDA) approved methods that prevent or reduce the risk of contracting HIV and other sexually transmitted infections, including use of antiretroviral medication, consistent with the federal Centers for Disease Control and Prevention.  EC § 51934(a)(4)	Provides information about the effectiveness and safety of the FDA approved antiretroviral medical intervention consistent with the U.S. Centers for Disease Control and Prevention.	<b>Compliant:</b> No, needs minor modification.  <b>Comments:</b> Needs to include information about PrEP and PEP.
			Provides information about the effectiveness and safety of all FDA approved methods that prevent or reduce the risk of contracting HIV and other STIs.	<b>Compliant:</b> Yes  <b>Comments:</b> Includes comprehensive information on internal and external condoms for STI prevention. Also includes information about HPV and hepatitis vaccines.
20	<b>HIV Risk Reduction</b>	Information about the effectiveness and safety of reducing the risk of HIV transmission as a result of injection drug use by decreasing	Provides information about the effectiveness and safety of reducing HIV transmission by decreasing needle use and needle sharing.	<b>Compliant:</b> No, needs major modification.  <b>Comments:</b>

### ADDITIONAL COMMENTS:

The Teacher Guide provides excellent information and good resources in Teacher Background.

Overall, the reviewers felt this curriculum truly embodies the goals and spirit of CHYA and appreciated its accessibility of being free to download.

A number of errors, broken links or suggestions for improvement were found in the curriculum. Please see below.

#### Errors:

##### Grade 6

- **Grade 6, Lesson 1:** A couple typos: "...like **you're** body's a bit out of control at times. As we go through the lesson, and as you experience these changes, try to always remember that all of these changes are normal. They are all important parts of growing up that everyone goes through. This time of growth is called 'puberty' and **that** it's started by the natural chemicals in our bodies, called 'hormones.'"
- **Grade 6, Lesson 7:** It's Great to Wait website seems to be corrupted and now has some bizarre and inappropriate language on the home page: <http://www.greattowait.com> . [www.teen-aid.org](http://www.teen-aid.org) has expired.

##### Grade 7

- **Grade 7, Lesson 1:** for the activity of naming the female body parts, the blank spaces need to be numbered.

## Curriculum Review Summary Report California Healthy Youth Act

- The instructions in Step 3 of this lesson are incorrect. There is no video, just a slide show, and there is no “second tab” or “third tab”
- **Grade 7, Lesson 2:** hyperlink for <http://www.nlm.nih.gov/medlineplus/ency/videos/mov/200019.mov> doesn't work (URL is still live however).
  - For the activity of naming the male body parts, the blank spaces need to be numbered.
  - In Step 3, instructions say to select “click here for a frontal view”. This is unnecessary as that is the first slide in the slide show on the website.
- **Grade 7, Lesson 5:** link in homework is broken <http://www.sharemylesson.com/teaching-resource/sti-clue-activity-6111340/>
- **Grade 7, Lesson 6:** hyperlink for <http://www.hrmvideo.com/catalog/dealing-with-difference-opening-dialogue-about-lesbi-an-gay-and-straight-issues> takes you to a “page not found” message.
- **Grade 7, Lesson 7:** in Step 1, top of the second page it says “once you have gone through slide 12”. I think this should be slide 9. Which means that later in Step 4, it should read Slide 10.

### Grade 8

- **Grade 8, Lesson 7:** Under “Advance Preparation for Lesson” the first video’s hyperlink takes you to the HRM video homepage, and not the page for the Rape and Sexual Assault video.
- **Grade 8, Lesson 9:** first page, left hand boxes, “Target Grade” only says “Grade 8”, “Lesson 9” is missing
- **Grade 8, Lesson 10:** There are better, more user-friendly clinic locators than the one mentioned on the first page (yourstdhelp.com), i.e., CDC (<https://gettested.cdc.gov/> or [www.HIVtest.org-take](http://www.HIVtest.org-take) you to the same place) . For CA it would be nice to use [www.Teensource.org](http://www.Teensource.org) .
